

NITIN SEKHAR

CYBERSECURITY & OPERATIONS EXECUTIVE · CISO · FRACTIONAL VCISO · COO

Dallas, TX (Remote / Hybrid) | nitin.sekhar@gmail.com | 908-635-7211 | CISSP · CISM · PMP · MBA, Kellogg

Security and operations executive with 20+ years protecting and scaling the systems healthcare runs on. Owns security program delivery, regulatory compliance (HIPAA / NIST / SOX), and risk for a healthcare cloud serving roughly **40% of the U.S. population** — 240M+ daily transactions across a Tier-4 environment of 3,000+ servers. Builds global organizations (a **2,000-person hub delivering \$33M/yr in savings**), owns P&L and \$30M+ budgets, and is a trusted advisor to senior leadership on risk, transformation, and post-merger integration.

CORE COMPETENCIES

- CISO & Security Leadership
- Cloud & Infrastructure Security
- P&L & Budget Ownership
- M&A / Post-Merger Integration
- Risk Management & Governance
- Incident Response
- Global Org Building & Scaling
- Vendor & Stakeholder Management
- HIPAA / NIST / SOX Compliance
- Security Program Maturity
- Business & Digital Transformation
- Board & Executive Reporting

PROFESSIONAL EXPERIENCE

Oracle Health & AI (formerly Cerner)

2019 – Present

Senior Director, Hosting & Cybersecurity Projects

- Own **security program delivery, regulatory compliance (HIPAA / NIST / SOX), and risk** for healthcare cloud serving ~40% of the U.S. population — **240M+ daily transactions** and 1M+ daily logins.
- Maintain availability and security posture across a **Tier-4 data center of 3,000+ servers**, aligning controls to audit and regulatory requirements.
- Serve as **trusted advisor to senior leadership** on cyber risk, organizational restructuring, and the Cerner–Oracle post-merger integration.
- Lead 100+ cross-functional global professionals across the U.S., Germany, and India.

Cerner Corporation

2015 – 2019

Director, IT — Cloud Technology & Services

- Led security and operations for mission-critical hosted healthcare applications through the Siemens → Cerner transition.
- **Built a 2,000-person global delivery hub** in Bangalore; engineered the talent and workstream strategy that produced **\$33M/yr in operating savings**.
- Ranked in the **top 1% of performers**; selected by the senior leadership team to lead transformative, disruptive initiatives including on-premise-to-cloud migration (AWS and Oracle).

Siemens Healthcare

2008 – 2015

Director / Senior Manager — Cloud Technology & Services

- Owned **P&L and \$30M+ budgets** for the Financials application cluster (Soarian Financials, Scheduling, Business Intelligence); delivered an **\$11M cloud-budget reduction** while protecting uptime and SLAs.
- Ensured availability and security of **3,000+ servers** supporting the cloud-based Financials cluster across U.S., Germany, and India.
- Owned **ITIL process governance** and the cloud technology roadmap; led cross-functional global teams of 100+.

EDUCATION

MBA, Executive — Kellogg School of Management, Northwestern University

M.S. — University of Michigan

B.S. — Penn State University
